

Management consulting and outsourcing services: The confidence to be in good hands

Deloitte, one of the world's leading organizations providing management consulting, manages our annual accounts and international processes.

DOPP, leader on HR Consulting, analyses the functional structure of the company and embraces change and strengthen performance through proactive approaches in order to improve the organization and our most valuable asset, its people.

Finally, **ALTRAN** and **PWC**, develop our technology based Business Strategy Plan 2013-17 to constantly adapt to the evolving global marketplace.
